The CLA Framework

Collaborating, Learning and Adapting in the Program Cycle: CLA throughout strategy, project, and activity design and implementation

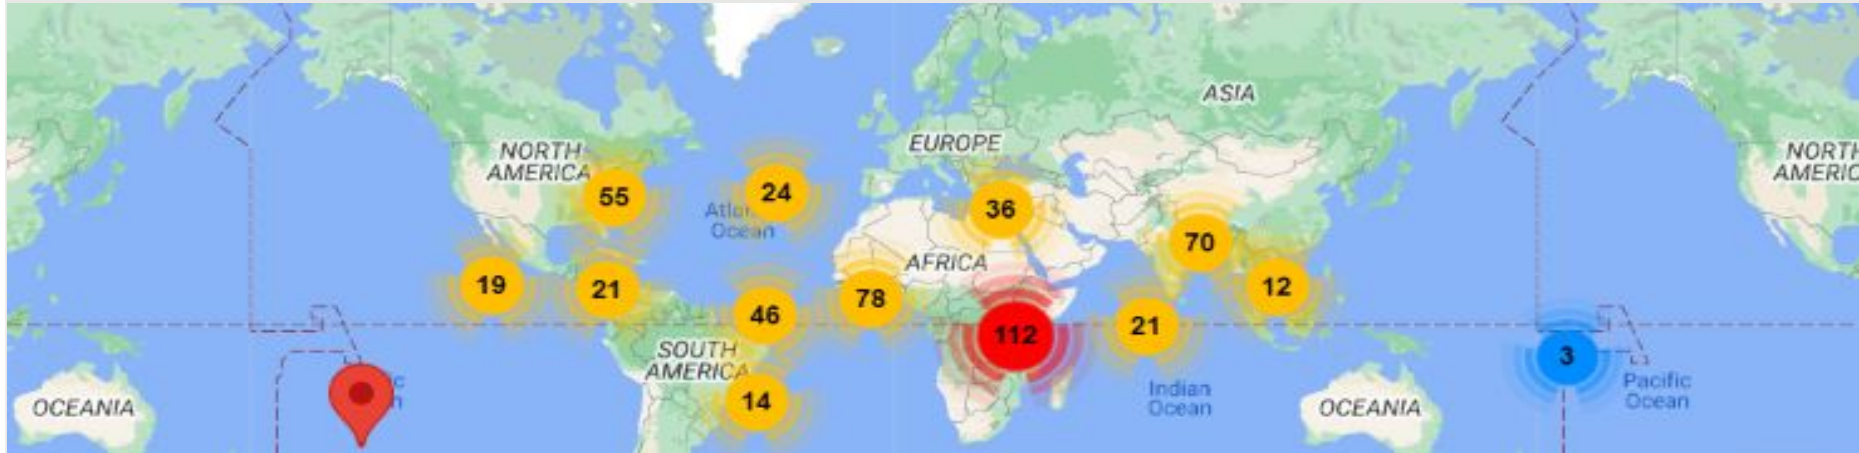

Enabling Conditions: Organizational culture, processes, and resources that support collaborating, learning and adapting

The CLA Case Competition

Since 2015, USAID has received **over 600 CLA cases** that describe how the Agency and its partners are integrating CLA into their programs.

The 2024 Case Competition is open until July 26!
