

**CLA Learning Network**  
**Synthesis Agenda**  
 April 3-4, 9:00-5:00

The purpose of this meeting is to bring together members of the CLAIM Learning Network with the goals of synthesising our work to:

- Collectively outline our findings related to the evidence base for CLA (EB4CLA) - Does a systematic, intentional, etc. lead to better results? If so, how?
- Collectively outline our collective learning related to methodologies - What worked and what didn't?
- Collectively outline a joint CLA Theory of Change

Time	DAY 1 - April 3
9:00	Welcome and agenda review
	The Road We've Traveled
	Shift and Share (Part 1) Partners will have a chance to share their findings and ask questions of each other in small group rotation, we will have three rounds. <ul style="list-style-type: none"> <li>● What did you find? <i>EB4CLA</i></li> <li>● How did you find it? <i>Methods</i></li> </ul>
10:30	Break
	Shift and Share - Part 2 Partners will have a chance to share their findings and ask questions of each other in small group rotation, we will have two rounds
11:50	Lunch
	Walk down memory lane We've started to dive in and synthesize the "what we found" and "how we found it" from our research, but let's remind ourselves of what we set out to do and what we've produced along the way that got us to this point.
	What did we find? - Cover Story At our tables we'll collectively create the cover of the KM4Dev Journal to synthesis and share our findings from our research - <i>"Does a systematic, intentional, etc. lead to better results? If so, how?"</i>
2:45	Break
	How did we find it? - Brainwriting This is a deep dive on our methods with a goal of synthesizing our most salient learning into one page resources.

	How did we find it? - Deep Dive Working in small groups, we will go in-depth into the most compelling answers/ ideas from the Brainwriting activity using the What, So What, Now What framework.
	Reflection and appreciation
5:00	Closing
Time	DAY 2 - April 4
9:00	Welcome to Day 2
	How did we find it? - Deep Dives (Cont.) Make any adjustments based on your brilliant midnight musing or shower contemplations.
	How did we find it? - Red Team Review Groups will have an opportunity to review, provide feedback and suggested edits to another groups deep dive synthesis.
10:45	Break
	How did we find it? - Revisions As a group you'll have an opportunity to revise and refine your deep dive synthesis based on the Red Team Review.
12:00	Lunch
	What does this mean for us? - Creating a Collective Theory of Change In groups create a visual theory of change for CLA using the findings from our research
	Now What? Discussion on what this evidence means for our work <ul style="list-style-type: none"> <li>• How will we use it? Who needs to know about it? How are we going to tell them?</li> </ul>
3:00	Break
	Learning/ Knowledge Product Group Work <ul style="list-style-type: none"> <li>• Review knowledge learning products - KM4Dev article; USAID presentation/ webinar; one page briefers; etc.</li> <li>• Scope, work on and or finalize various products based on previous discussion</li> </ul>
	Reflection and appreciation
	Closing remarks
5:00-6:00	Happy Hour / Group photo
