Sources of inspiration, influence, and additional learning for *unappreciative inquiry*.

The Classic

Russell, Bertrand (1928) On the Value of Skepticism. in *Skeptical Essays*. London: George Allen & Unwin, Ltd.

"I wish to propose a doctrine which may, I fear, appear wildly paradoxical and subversive. The doctrine in question is this: that it is undesirable to believe a proposition when there is no ground whatever for supposing it true. I must, of course, admit that if such an opinion became common it would completely transform our social life and our political system..."
